News Release: Allegany County Department of Health COVID-19 Vaccination Clinic

The Allegany County Department of Health will **NOT** be holding a first dose COVID-19 Vaccine Point-of-Distribution (POD) clinic this week due to inclement weather and a delayed shipment of the Moderna vaccine. We plan to hold a larger P.O.D. (clinic) next week if the vaccine is available.

Second dose COVID-19 vaccines will still be offered this **Friday, February 19, 2021** at the County Building at 7 Court Street, Belmont, NY 14813. You must be pre-registered to attend the second dose clinic.

The link to register for future COVID-19 vaccine PODs will be posted on the County web page located at www.alleganyco.com and clicking on 'vaccine information.' Vaccine is still very limited so please be patient.

Future clinics are only open for individuals that are in phase 1-B. To see if you are eligible for the next COVID-19 vaccination clinic, please click on the following link:

Please remain patient as we are only able to vaccinate as many individuals as we have doses. If you need assistance with registration due to lack of internet access, please contact our office at 585-268-9250.
