News Release: COVID-19 Vaccine Available in Allegany County

Let's keep Allegany County moving forward toward reopening our County, our schools, our businesses and our lives. We need to use all the tools we have so we stand the best chance of getting our families, communities, schools, and workplaces "back to normal" sooner. Help us by wearing a mask, washing your hands often, social distancing, **AND getting your COVID-19 vaccine**. Lead the way! Encourage your co-workers, family, friends, and community to get vaccinated.

In Allegany County, there are still plenty of appointments available for the COVID-19 vaccine. If you are looking for an appointment to be vaccinated:

- Go to www.urmc.rochester.edu/jones-memorial-hospital.aspx or call the UR Jones Memorial Hospital (JMH) at 585-596-4028 for an appointment for their Moderna COVID-19 vaccine clinics on Thursday, April 15, and Friday, April 16.
- Call the Allegany County Department of Health (ACDOH) at 585-268-9250 or go to www.alleganyco.com to be added to the Allegany County waiting list. The hospitals, ACDOH, and local pharmacies have been using this waiting list to assist Allegany County residents in making vaccination appointments and for planning future needs for vaccine amounts.
