The total number of COVID-19 Pfizer vaccinations given in Allegany County schools this week by the Allegany County Department of Health is 423 first doses. For the total number of vaccinations given by the Allegany County Department of Health go to www.alleganyco.com and click on the blue button "COVID-19 Data Dashboard".

Public Health
Prevent. Promote. Protect.

The Allegany County Department of Health would like to thank all the County residents who were vaccinated; school administration, staff, parents, and students who assisted or were vaccinated; Allegany County agencies and businesses who assisted us with vaccination clinics, marketing and recruitment; and all the volunteers who made reaching these numbers possible.

We will be putting out our next round of community clinics next week so watch for our press release and share it with family and friends. For COVID-19 questions please call the Allegany County Department of Health at 585-268-9250 and for the Allegany County waiting list please call the Allegany County Office for the Aging at 585-268-9390.

Let's Get Allegany County "Back to Normal" sooner! Get Vaccinated!
