News Release: NY State Updates Guidance on Pre-K thru 12 In-Person Instruction, Child Care, and Camps

On June 7, 2021, "Governor Andrew M. Cuomo announced that school districts can choose to lift the requirement that their students must wear masks outdoors. Guidance on mask use indoors remains in place. This change aligns New York State's guidance on schools with CDC guidance on summer camps, where even unvaccinated students are not currently required to wear masks outdoors." https://www.governor.ny.gov/news

Please follow any guidelines that your school district, child care, or camp has set in place.
