News Release: How To Access Allegany County Coronavirus Information Updates

The alleganyco.com home page has been switched back to "Discover the Wilds" in the green box, where COVID links were previously housed. All the COVID links are still active and being updated. You will now find them under the "How Do I" tab under the main menu at the top of the page and select "COVID-19/Coronavirus Information and Updates," rather than the box on the home page.

The information regarding COVID-19 will now be updated on a weekly basis. Please call the Allegany County Department of Health at 585-268-9250, and press #4 with questions or to schedule an appointment for your COVID-19 vaccine.
