COVID-19 Statistic Update
Friday, July 23, 2021

The data from the previous press release was reviewed and the quality review process found that there was a typographical error in the vaccination numbers. The corrected numbers are present in this press release. We will continue to review data for integrity and issue the best data that we have available for the public.

Allegany County's statistics are as follows on the attached charts. The attachments give the data for the time period from July 12 through July 18, 2021. Weekly updates are also available on the County Dashboard at https://arcg.is/0KGnyu. Weekend numbers are included in this weekly summary sheet after they have been confirmed and subjected to Quality review process. The COVID-19 Dashboard and weekly update press releases utilize New York State fatality data, and may differ from Allegany County Health Department reported data.
