News Release: Additional Dose for COVID-19 Vaccine Offered By Allegany County Department of Health

There are multiple upcoming vaccine clinics at the Allegany County Office Building in Belmont, NY. These will include the **additional dose** for immunocompromised individuals, which should be the **same vaccination as you received for your first two doses**.

If you had the Pfizer vaccine for your first two doses, then it is recommended that you get Pfizer for your additional dose. If you had the Moderna vaccine for your first two doses, then it is recommended that you get Moderna for your additional dose. **Your additional dose must be at least 28 days after your 2nd dose.** At this time, Johnson & Johnson (J&J) is not authorized for an additional dose. Please bring your vaccination record card, insurance card, and photo ID.

Click the appropriate link below to schedule your vaccine appointment for first, second, or additional dose.
