News Release:

The Allegany County Department of Health (ACDOH) was notified of Manor Hills Assisted Living residents and staff that are positive for COVID-19. Currently, there are a total of 25 positive residents and 3 positive staff members to date. The facility continues to cooperate with our office in order to keep the community safe as we contact trace COVID-19 positive employees at this facility.

The Manor Hills Assisted Living has been working with the New York State Department of Health who oversees all COVID-19 cases in healthcare facilities throughout New York State, while the ACDOH has been contact tracing the COVID-19 positive employees of this facility.

ACDOH continues to identify, notify, and monitor all identified contacts of these cases. If you are named as a contact to any of these cases, you will be notified by phone, and given information on quarantine, symptoms to look for, and procedures you must follow to keep you, your family, friends, and neighbors safe from COVID-19. If you or someone you know is interested in receiving a COVID-19 rapid test, please have them contact the ACDOH at 585-268-9250 and press option #4. A script is not necessary for this test, and results are produced in about 15 minutes.

If you have questions about a family member residing at the facility, we recommend you call Manor Hills Assisted Living directly at 585-593-9800. If you have general COVID-19 questions, you may also call the Allegany County Department of Health at (585)268-9250 for more information
