RE: **Positive Cases Update from Highland Park Rehabilitation and Nursing Center**
DATE: **October 23, 2020**

Please release this information as soon as possible. Thank you for your assistance and cooperation. If you have any questions or need more information, please send the request in writing to me at mooretk@alleganyco.com or by fax at 585-268-9264.

News Release:

The Allegany County Department of Health (ACDOH) was notified of Highland Park Rehabilitation and Nursing Center residents that are positive for COVID-19. Highland has 6 new positive resident cases and 1 positive employee case.

The Highland Park Rehabilitation and Nursing Center has been working with the New York State Department of Health who oversees all COVID-19 cases in healthcare facilities throughout New York State. The role for ACDOH will be to complete contact tracing for any COVID-19 positive employees from this facility.

If you are named as a contact to any positive COVID-19 cases, you will be notified by phone, and given information on quarantine, symptoms to look for, and procedures you must follow to keep you, your family, friends, and neighbors safe from COVID-19. If you or someone you know is interested in receiving a COVID-19 rapid test, please have them contact the ACDOH at 585-268-9250 and press option #4. A script is not necessary for this test and results are produced in about 15 minutes.

If you have questions about a family member residing at the facility, we recommend you call Highland Park Rehabilitation and Nursing Center at 585-593-3750. If you have general COVID-19 questions, you may also call the Allegany County Department of Health at (585)268-9250 for more information
