Solicitation of Interest (SOI) 2026-1 Criminal Wage Theft Investigations Grant Program

Explanation of grant application:

The New York State Department of Labor (NYSDOL) announced a $5 million grant program designed to support District Attorneys in undertaking new criminal wage theft investigations. The program particularly encourages offices that have not previously pursued criminal wage theft cases to apply, aiming to help build their capacity from the ground up to ensure all New Yorkers are protected from wage theft. Eligible activities for this grant funding can cover operational costs, including staff time, overtime, new investigator or Assistant District Attorney positions, training, and equipment.

FISCAL IMPACT:

Total COUNTY SHARE of grant: **$0**

Local county share: **$0**

POSSIBLE TOTAL MAXIMUM AWARD: $500,000.00

State Grant? _YES_ Revenue: ***# will be established when awarded*** $ _____

This grant is _____ renewal of existing grant funded program or a ~~XXX~~ new grant fund program.

Grant Fiscal Year: ***Specific contract terms for award will be detailed during the application phase for invited applicants.***

Major benefits of applying for this grant are: The grant would provide our office with additional resources to investigate wage theft cases. It would allow us to provide training, dedicate staff time to these investigations, and work more closely with the New York State Department of Labor. This grant would ultimately strengthening our ability to pursue wage theft investigations, protect workers and hold offenders accountable. This grant is beneficial as well, as it is flexible in and cover multiple areas of the District Attorneys Office. Like previously stated, this funding can cover operational costs, including staff time, overtime, new investigator or Assistant District Attorney positions, training, and equipment.

Monthly Reports for September 2026

Allegany County Pistol Permit Unit

During the month of September, the Pistol Permit Unit processed 20 new applications, completed and sent 20 applications to Court for approval, issued 6 newly approved pistol permits, transferred out/in paperwork for 5 permit holders to/from other counties, issued 8 duplicate cards, and issued 0 photo ID's. As of September 25th, our Pistol Permit Clerk has processed 125 permit amendments, 6 of which were from our clerks being present at the Niagara Frontier Gun Show held at the Erie County Fairgrounds in Hamburg earlier this month.

Allegany County Threat Advisory Group (ATAG)

The Allegany County Threat Advisory Group (ATAG) convened for its monthly meeting on Thursday, September 17th. Representatives from 15 partner agencies heard one (1) new case, as well as, reviewed 4 short term cases and 1 potential case that could be brought forward soon. These cases, currently being monitored by the originating agencies, involve patterns of violent idolization/behavior and severe mental health concerns. ATAG continues to provide insights and strategies for managing these threats.

At the conclusion of the meeting, Regina Hanks, Senior Education Specialist for the NYS DHSES Domestic Terrorism Prevention Unit and Lt. Hand notified the group that the 3nd Annual NYS DHSES Threat Assessment Management Summit will be held in Albany from December 8th through December 10th, 2026. ATAG members are welcome and encouraged to attend this very informative training event.

Lt. Hand had the opportunity to attend the ROCTAC Threat Assessment and Management Conference at the Wegman's Event Center in Rochester on September 21st. This one-day event brought together several regional and nationwide experts to discuss trends and new groups exploiting Nihilistic Violent Extremism. Participants also heard from Jon Romano, convicted Columbia school shooter, who spent over 17 years in prison and now recounts what led him to commit the horrible acts that he carried out on February 9, 2004. Wegman's Threat Management Team also spoke about they operate and interrupt the pathway to violence at the corporate level so that it does not further itself in the general community. Finally, the National Counter-Terrorism Center gave a presentation on the counterterrorism environment and changes in mobilization indicators.

ATAG's next meeting is scheduled for October 15th at the Sheriff's Office.

Allegany County Sheriff's Marine Patrol

The 2026 Boating season has ended with both of the Sheriff's vessels being removed from the water by the end of September. Typically, 2 Deputies are assigned to both lakes on each Saturday and Sunday between Memorial Day and the Labor Day weekends with Deputies working varying weekday evenings when the weather and lake usage warrant their deployment. This year Deputies spent 474.5 hours patrolling the waters of both Cuba and Rushford lakes. These hours are a vast improvement over the past several years when manpower limited our availability for this detail.

We also had two of our personnel selected to attend courses hosted by the NYS Office of Parks, Recreation and Historical Preservation at Lake George. Deputy Tyler McPhilomy was selected to attend the basic Marine Law Enforcement course in the Spring, while Sgt. Dale Thomas was selected to attend the Marine Patrol Vessel Operators Course from September 28th thru October 2nd.

As stated previously, members of the Sheriff's Office Marine Patrol held 4 Safe Boating classes in 2026 with a total of 41 people, ages 10 to 84, attending the course. With the Office of Parks, Recreation and Historical Preservation's full implementation of Brianna's Law and **ALL** operators of motorized vessels now required to possess a Safe Boating Certificate, the Marine Patrol will be continuing to offer this course throughout the Fall of this year and winter/spring of 2026 to and accommodate an ever-growing waiting list.
