All five nursing home and assisted living facilities have been working with the New York State Department of Health who oversees all COVID-19 cases in healthcare facilities throughout New York State. The role for ACDOH will be to complete contact tracing for any COVID-19 positive employees from this facility.

If you are named as a contact to any positive COVID-19 cases, you will be notified by phone, and given information on quarantine, symptoms to look for and procedures you must follow to keep you, your family, friends and neighbors safe from COVID-19.

If you have questions about a family member residing at the facility, we recommend you call Highland Park Rehabilitation and Nursing Center at 585-593-3750; Manor Hills Assisted Living at 585-593-9800; or Houghton Rehabilitation and Nursing Center directly at (585)567-2207. If you have general COVID-19 questions, you may also call the Allegany County Department of Health at (585)268-9250 for more information.
