available under Emergency Use Authorization for children ages 5 to 15 and is fully approved for those age 16 and older. All New Yorkers 18 and older can also receive the two-dose Moderna vaccine or the one-dose Johnson & Johnson vaccine.

About the COVID-19 Booster:
All eligible New Yorkers are strongly encouraged to get their COVID-19 booster dose. You are eligible for your booster dose if you're:

- 16 years or older and it's been at least 6 months since your initial Pfizer-BioNTech vaccine series
- 18 years or older and it's been at least 6 months since your initial Moderna vaccine series
- 18 years or older and it's been at least **2 months** since your J&J vaccine

Please share this information with family and friends. For COVID-19 questions or for help with vaccine registration please call the Allegany County Department of Health at 585-268-9250. Walk-ins are welcome.
