

Section IX. Adoption Process

A draft of the 2010, 5-Year Update of the Allegany County Multi-Jurisdictional Hazard Mitigation Plan was submitted to SEMO on August 31, 2010. After SEMO review, any comments will be incorporated and an edited version will be submitted to SEMO for FEMA review. After FEMA review, any further comments or required revisions will be addressed in a timely manner and a final draft will be sent to SEMO for approval. We are hopeful the review and approval process will be successfully completed by November 30, 2010.

Several participants in the County Plan have submitted applications and Letters of Intent to DR-1827, DR-1857 & DR-1869, FY2011 Unified HMA, and await, hopeful for an award with our Plan's Approval Pending Adoption. We anticipate there will be applications to the recent release notice for HMGP DR-1899.

Once FEMA has reviewed the 2010, 5-year Update and indicates the Plan is Approved Pending Adoption; all participating jurisdictions will adopt the Plan, as required. At that time, the information in the table below will be updated.
