II. Project Description-

A. Demolition of Structures in Allegany County:

- 172 East State Street, Wellsville
1. Allegany County Land Bank is seeking bid proposals from experienced and qualified demolition contractors to demolish and remove one Land Bank owned structure at the above listed addresses. Demolition activities shall be at an expense to Allegany County Land Bank for demolition, removal and proper disposal of debris, and proper grading of the site.
 2. The Demolition Contractor shall be responsible for the demolition, removal and proper disposal of the above referenced structure using tools, labor, vehicles, equipment and containers suitable for the project and to leave the site in a safe, clean, level, graded and compacted condition.
 3. The structure was tested for the presence of asbestos. Prospective bidders shall consider that the structure does contain asbestos and shall bid accordingly. **Asbestos Report will be provided upon request.**
 4. In instances where an asbestos survey cannot be conducted due to condition of the structure, The Land Bank will require that all demolition activities are conducted in full compliance of New York State Department of Labor Code Rule 56, Section 11.5. The condemnation letter shall be forwarded to the successful bidder by The Allegany County Land Bank.
 5. It is the responsibility of the bidder to inspect each site prior to submitting their bid. Arrangements for an accompanied site visit, if desired, may be made by calling the Allegany County Land Bank at 585-268-7472, extension 7. Attention: Jason Isaman.
 6. Entry into the structure is strictly prohibited until bids are awarded for safety, health, and liability reasons.

B. Scope of Work:

1. All debris shall be completely removed and delivered to a New York State disposal facility permitted to accept such material, including asbestos disposal. The Allegany County Landfill is closed. Therefore, an alternate disposal facility must be located.
2. The successful bidder will be responsible for all traffic control, if necessary. The successful bidder will be responsible for any and all damage to adjacent structures, or property.
3. Successful bidder shall demolish structure including all sheds, out-buildings, foundations, garages, etc., at each location, and shall remove, and properly dispose of, all waste and debris (including but not limited to tires, vehicles, concrete, containers of any and all types and their contents, etc.) from the site using containers and vehicles suitable for each project.
4. The successful bidder shall leave the site in a level, compacted and graded condition using clean fill material. Grass seed shall be sown and covered on site. Fill material, topsoil, and seeding to be used must be included in the bid price.

5. The Allegany County Land Bank will pay the successful bidder the full bid price, in one lump sum after project completion and upon being deemed substantially complete by the Land Bank Board of Directors. Payment shall be made according to the Land Bank's established Procurement Policy.
6. The successful bidder is responsible for obtaining all necessary permits, licenses, approvals etc., for carrying out the scope of work described herein including all utilities (private or public).
7. Bids prices shall be all inclusive (i.e. labor, materials, disposal, transportation, asbestos survey and abatement, all permits, etc.).
8. The Contractor shall comply with all OSHA regulations, all State and Federal regulations and shall be responsible for the safety and well-being of their employees. Personal Protective Equipment and proper ventilation shall be supplied, along with any other appropriate health and personal protective safety equipment.

C. Special Conditions:

1. Bidders must be a New York State Licensed Asbestos Contractor and/or all subcontractors used during the actual demolition must be appropriately certified. Proof of certification(s) must be submitted with the bid proposal.
2. The successful bidder shall perform in accordance with all applicable Federal, State and Local Laws, rules and regulations. All statutory provisions applicable to this project are hereby incorporated by reference. The successful bidder is also responsible for obtaining all applicable permits and licenses and shall be solely responsible for paying any fines or penalties incurred during the performance of this project.
3. The following condition applies to a demolition project that is performed without first conducting asbestos survey and abatement:

When required by law, the demolition contractor will obtain Air Quality Monitoring (AQM).

- a. Once the successful demolition contractor is notified, the contractor will call the A. Q. Monitor for the purposes of coordinating schedules, and the submission of the requisite information and documentation to the NYSDOL.
 - b. There will be a 10-day waiting period before demolition may begin. During that 10 day period, the AQM will perform pre-demolition background air quality monitoring at the properties. Also, during that time the demolition contractor will let the AQM know when the start date of the demolition will be.
 - c. The AQM will perform monitoring services every day during demolition.
 - d. The Land Bank is requesting each bidder, as closely as possible, list the maximum number of days anticipated to complete demolition, including all debris removal.
4. The structure is located in areas of high vehicle and pedestrian traffic. No Sunday or late evening work shall be permitted. Salvage and Demolition project schedules project shall be approved in advance by the Allegany County Land Bank Board of Directors.

5. The successful bidder shall be responsible for, and assume, all responsibility for all safety signage, barricades, locks etc. to secure the work site and structure(s) from entry by unauthorized persons or vehicles at the onset and duration of demolition activities.

D. General Conditions:

1. Insurance: The successful bidder shall secure and maintain at his / her own expense insurance coverage as specified in “Contractor Insurance Requirements”, contained herein. The Bidder shall provide a certificate of insurance naming Allegany County Land Bank Corporation and Enterprise Community Partners as additional insured as well as stating that the Allegany County Land Bank Corporation be given thirty (30) days’ notice prior to non-renewal of, or cancellation of, policies.
2. Non-Collusive Bidding Statement: The Contractor shall submit a signed and dated Non- Collusive Bidding Statement with its bid which is included in this bid document. Said certificate is mandated by Section 103-d of the General Municipal Law.
3. Hold Harmless Form: The contractor shall submit a signed and dated Hold Harmless Form with its bid which is included in this bid document. Successful bidder agrees to the fullest extent permitted by law, to indemnify, hold harmless and defend the Land Bank its agents, employees or any person against loss or expense, including attorney’s fees, by reason of liability imposed by law upon the Land Bank, except in cases of the Land Bank’s negligence, for damage because of bodily injury, including death at any time resulting therefrom sustained by any person or persons, or on account of damage to property arising out of, or in consequence of, the performance of this contract.
4. Assignment: The successful bidder shall not assign, transfer sublet or otherwise dispose of the contract, or its right title or interest, or its power to execute the same to any person or corporation without the previous consent, in writing, of the Allegany County Land Bank. An assignment of the contract shall not relieve the assignor of his obligations hereunder. In the event of assignments, all provisions herein shall be binding upon the inure to the benefit of the respective successors and assignees to the same extent as if each such successor or assignee were named as a party to the original contract.
5. Late Bids: Contractors shall bear sole responsibility for the delivery of their bid in a timely manner.
6. Governing Law: The terms of this contract shall be governed pursuant to the laws of New York State, Allegany County, and the municipality where the work is performed.
7. Reliance upon the U.S. Postal Service or other carriers is at the contractor’s risk. Late bids will not be considered and shall be returned unopened.

8. The Allegany County Land Bank reserves as its right, the right to require clarification from the contractor for the purpose of assuring a full understanding of the contractor's responsiveness to the solicitation requirements.
9. The Allegany County Land Bank reserves as its right, the right to accept or reject any and all bids (or separable portions thereof), the right to waive irregularities and technicalities, and the right to request resubmittal of bids (re-bid).
10. Contractor's Failure to Comply: The contractor's failure to perform in compliance with the bid award shall result in withholding of payment. The payment shall be withheld until such times as the contractor fulfills its responsibilities. Compliance shall be determined by and to the satisfaction of the Allegany County Land Bank. Such action would not necessarily preclude further initiatives on the part of Allegany County Land Bank to protect and preserve its interest.
11. Preparation of Bid Documents: Bids must be submitted on the forms provided in the bid documents and prepared in the following manner:
 - a. All submissions shall be clearly written, legible, and completed using a permanent medium (e.g. ink, typewriter, laser printer, etc.) Illegible entries may be rejected.
 - b. All forms requiring the contractor's signature shall be signed by the contractor or the contractor's authorized representative. Erasures and/or alterations shall be initialed by the individual whose signature appears on the bid forms.
 - c. The contractor shall submit the bid in accordance with the bid documents and shall not make any changes in the wording of the bid forms or make any stipulations or qualify the bid in any manner.
 - d. All bids shall be firm for a period of forty-five (45) days from the bid opening date; during which time the Land Bank shall render its decision.
12. Each vendor bears sole responsibility for acquisition of bid documents. Requests for bid documents to be forwarded are neither a guarantee nor an incurred obligation on the part of the Allegany County Land Bank to ensure vendors requested receipt of bid documents, timely or otherwise.
13. Receipt of these documents, unsolicited or otherwise, shall not be construed a predetermination of a vendor's qualifications to receive a contract award. Nor shall receipt of these documents be interpreted an endorsement that the vendor's equipment, materials, products, and/or services are in compliance with the bid specifications.
14. Examination, Interpretation, Correction of Bid Documents: Each vendor shall examine all bid documents and judge all matters relating to the adequacy of such documents. Any inquiries, suggestions or requests concerning interpretation, clarification or additional information pertaining to this bid solicitation shall be in writing and submitted to the Land Bank. The Land Bank shall not be responsible for oral interpretations given by any officer, representative or others. The issuance of written addendum/addenda is the only official method whereby clarification or additional information can be given.

III. Acknowledgment of Project Specifications-

THE UNDERSIGNED PROPOSES TO PROVIDE SAID SERVICES required by the Allegany County Land Bank as set forth in the enclosed request for proposal. The successful bidder shall be obligated to furnish said services at the price set forth in this bid.

Sufficient information must be submitted with your bid to allow the Allegany County Land Bank to determine if the product is acceptable and meets the needs of the Allegany County Land Bank. Final determination shall be made by the Land Bank.

KEY TO NOB COLUMN SYMBOLS
 No Symbol in the NOB column denotes sample analyzed by ELAP Method 198.1 (PLM).
 √ NOB (non-friable organically bound) denotes material analyzed by ELAP Method 198.6 (PLM) and 198.4 (TEM) as noted.
 V denotes material analyzed by ELAP Method 198.6 (PLM) per NYSDOH. This Method does not remove vermiculite and may underestimate the level of asbestos present in a sample containing greater than 10% vermiculite.
 # denotes friable material analyzed by ELAP Method 198.6 (PLM) and 198.4 (TEM) as noted.
 X denotes sample prepped only by ELAP Method 198.6.
 ** Polarized-light microscopy is not consistently reliable in detecting asbestos in floor coverings and similar non-friable organically bound materials.
 Quantitative transmission electron microscopy is currently the only method that can be used to determine if this material can be considered or treated as non-asbestos containing.
