# RED FLAGS OF HUMAN TRAFFICKING

- **Has a history of multiple runaways or homelessness**
- **Is reluctant to discuss unexplained changes in lifestyle such as excessive cash, electronics, or clothing**
- **Is in a controlling relationship (often with an older partner or other older adult) and/or shows indications of intimate partner violence**
- **Disconnects from social supports, such as church, family, friends, teachers, medical providers, and/or community**
- **Scared of consequences to a degree greater than the situation warrants**
- **May have been coerced into sending nude images over the internet or through social media**
