

## **How can you get Election Results on Election Night?**

The only way to receive information on Election Night is by using our webpage at [www.alleganyco.com](http://www.alleganyco.com).

-  Results are updated as information is received throughout the night.
-  Be sure to refresh your page in order to continue getting up to date results.
-  No phone calls will be taken for results-this includes Media
  - Only calls accepted will be from our Election Inspectors at the Poll Sites or the Sheriff Department Staff that are assisting with picking up election items from our poll sites.
-  Some Candidates may have a specific location to watch results-the Board of Elections does not coordinate with any candidate for this. They will receive the information from the website.

Please feel free to leave a voicemail after 11:30pm on election night & a staff member will return your call at our earliest convenience-remember even the day after the election we are very busy-please be patient.
