All employees including part-time, temporary seasonal, summer help, and Job Track must have a pre-employment physical. In addition, all volunteer firefighter and volunteer ambulance members are required, under the Local Law, to have a physical before acting in the line of duty.

Safety awards were presented at luncheons for the Towns, Villages, and County Public Works Department employees with no lost time accidents in 2013. This marked the 18th year of awards to volunteer fire companies and ambulance corps for 100% physical compliance and no lost time claims. Twelve organizations were recognized.

We continue to work closely with our Claims Administrator (POMCO, Inc.) in providing savings to the Plan.
